

Subject: Villanova University: Focus on Faculty Salaries

Hi,

Based on data provided by Villanova University to the AAUP (Academe, 2005-2010) and to the IRS (Form 990, 2005-2009), I have prepared a number of graphs and tables with a focus on faculty salaries. Please note that faculty data from the entire* university is only available by rank and not by college. In the appendix, there are additional graphs that show Villanova's net assets, total revenue and total expenses.

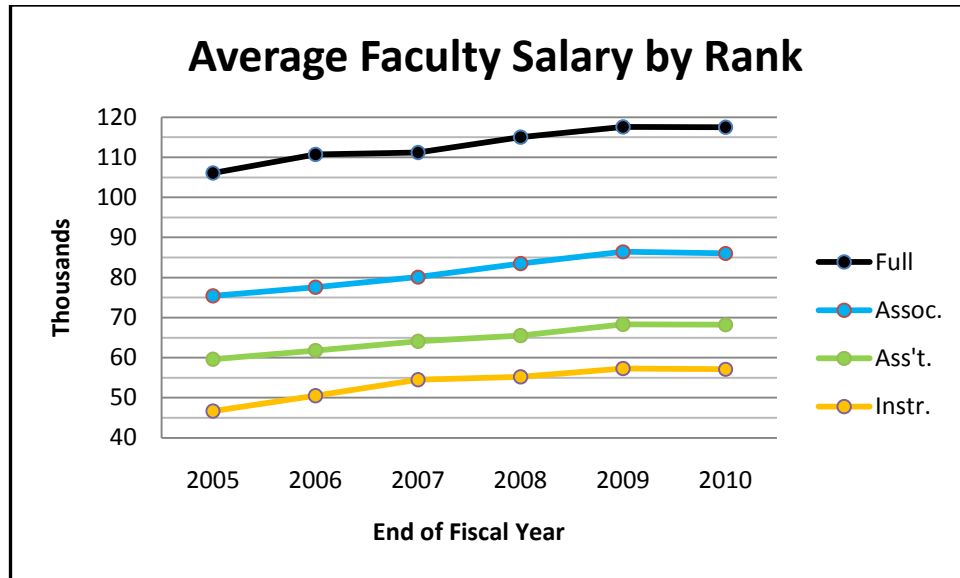

Sincerely,
Michael L. Levitan
President, VU AAUP
