

Meeting of the Villanova University Chapter of the AAUP

Villanova University has 545 full-time faculty. Fifteen years ago, more than 75 of them belonged to the Villanova chapter of the American Association of University Professors (AAUP), the only national organization of faculty members of all fields. At present, the chapter has dwindled to fewer than 20 members.

If you are concerned about academic freedom, shared governance, salaries and working conditions, standards and fairness at Villanova and throughout higher education, we invite you to a meeting on **Wednesday, September 2, 2009, 4:30 – 5:30 pm in Bartley 2010**, to learn more about the AAUP's work and the future of Villanova's chapter.

We look forward to seeing you there.

Michael L. Levitan, Associate Professor of Mathematics
Robert Jantzen, Professor of Mathematics
Nancy Sharts-Hopko, Professor of Nursing
